

MAGnificent Floor & Table LED Magnifying Lamp

D25050

The MAGnificent Lamp is ideal for all types of detailed work. This lamp is cleverly designed to be used in 3 different height positions to suit your working environment. The Daylight LED's provide high contrast and accurate colour matching, making it easier and less tiring to read, work and see detail clearly. LED's never need replacing and use very little energy. The large 14.6cm /5¾" semi-rimless 1.75X magnifying lens allows close-work activity.
